

## FSC & SFI

Use the Rainforest Alliance database [www.ra-smartwood.org](http://www.ra-smartwood.org) to search for operations that have been assessed and audited by SmartWood.

Typical Terms under the FSC certification:

- 'FM' FSC Forest Management certified companies
- 'FM/COC' FSC Forest Management and Chain-of-Custody certified companies
- 'COC' FSC Chain of Custody certified companies
- 'FM/COC-NTFP' FSC Non-timber forest product certified companies
- 'SS' SmartStep certified companies
- 'CW' FSC Controlled Wood certified companies
- 'VER' Verification of Legal Origin, Verification of Legal Compliance, and other Verification programs
- 'SL' SmartLogging certified operations

The FSC database provides information on all FSC-certified operations and their products:
